INFORMATICS EUROPE

The European Voice of Informatics Research and Education

20 Years of Community Achievements

Celebrating Key Milestones in Informatics Research and Education in Europe

and preparing for the next two decades

October 2024

INFORMATICS EUROPE

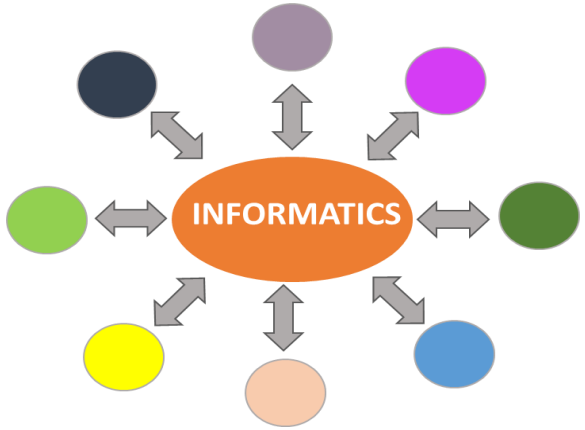
Two Decades of Community Impact

For the past two decades, Informatics Europe has been at the forefront of strengthening the unity and relevance of the European Informatics research and education community.

INFORMATICS EUROPE

Two Decades of Community Impact and Remarkable Achievements

With unwavering support from member institutions and collaborative efforts of researchers, we have achieved remarkable milestones in 3 key areas



Strengthening the Standing

of Informatics vs other disciplines

Promoting

Responsible Informatics

Teaching & Research

Engaging with Society

on the Nature & Impact of Informatics

INFORMATICS EUROPE
