Informatics Education Workshop at
ECSS 2024

Academia/Industry Collaboration in Higher Education

Aim: Report with status and recommendations

✳ **Today:**

    ✳ Collect ideas of aspects of the topic for possible inclusion

        ✳ Out of scope? Did we miss something?

    ✳ Discuss/select topics

    ✳ First draft of report outline

    ✳ Work plan / process:

        ✳ How to approach this?

        ✳ What next?

✳ **Over the next weeks / months**

    ✳ Work

- BSc / MSc theses
  - Jan Vahrenhold (for Jörg Desel, GI, Germany)

- Industrial Doctorates
  - Ana Gil (Spain)

- Guest Lectures
  - Kim Mens (Belgium) / Tatjana Welzer (Slovenia)

- Capstone Projects
  - Jan Vahrenhold (Germany)

- Advisory Boards
  - Michael Kölling (UK)

- Case Study: Software Innovation Campus Paderborn
  - Gregor Engels/Heike Trautmann (Germany)

[Break]

- Round 1 of discussion (3 in parallel)

- Round 2 of discussion (3 in parallel)

- First summary of discussion comments (Is anything missing?)

- Next steps

- Wrap-up (Michael Kölling/Jan Vahrenhold)

Take notes
